Hi Patrick,

Can we phone conference on a scheduling order? I'm attaching the form for Judge Ezra.

Please alert me if there is a paralegal I should add to these communications.

Ms. Thompson,

I am including my litigation team on this email, if you don't mind adding to your email and electronic filing service list.

At this time, I believe discussion of a scheduling order is premature since I have not filed an answer on behalf of my client and I am not sure what, if any, claim will remain after the Court determines the motion to dismiss.
