Re: Wheatcroft v. City of Glendale, et al.

Dear Joe:

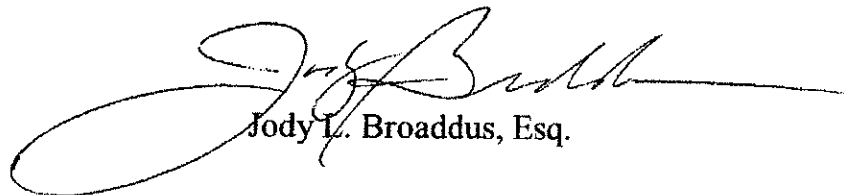

I received your letter dated April 26, 2019 and your two letters dated April 30, 2019. As for the April 30 letters, we would be agreeable to a protective order to protect the identities of the police officers and any victims.

With regard to the potential issues raised in my April 12 letter and your response on April 26, we realize no charges have been brought against any officers at this time. My letter was intended to provide you with notice of our intention to assert certain state-based claims if charges are brought against any of the officers. Obviously, if there is no indictment or charges brought, then this issue is moot.

Lastly, please provide me with dates that Officers Schneider, Lindsey, Fernandez, and Sgt. LaBrant are available for deposition. I look forward to hearing from you.

Sincerely,

ATTORNEYS FOR FREEDOM
