Attached. I anticipate 20-30 minutes per witness at most. I will have very specific questions for each witness based on the documents I have.

Again, if you get me the subpoenaed items earlier than the hearing, we can likely skip witnesses altogether.

Thank you both. Will get them out to you shortly.

Once you review them, please let me know if you would agree to produce the subpoenaed items prior to the hearing, which would likely save time and probably reduce the need for some testimony.

Thanks again.

Mr. Frigerio,

I hope all is well.

Please advise if I have to mail you hardcopies of subpoenas or if I can just email them to you.

Other than the officers, I will need to subpoena the surveillance footage that shows the alleged door blocking on June 18, 2018. I also need to subpoena all other warrants and affidavits for warrants that have been prepared or submitted by your clients.

Thanks.
